St Mary's Catholic School is seeking a passionate educator (or educators!) to join our team in a flexible part-time role. We're offering two positions: one day a week co-teaching our wonderful Year 1/2 class, and another day a week in a specialist teaching role. This can be a combined role or offered separately.

We are open to shaping the specialist role around your strengths—whether that's Technology, Art, Music or another area you love to teach. What matters most is your enthusiasm, your commitment to quality education, and your desire to be part of a warm, collaborative school community.

Located in the heart of Boyup Brook, St Mary's is a small Catholic primary school with around 60 students from 3-Year-Old Kindy to Year 6. Our modern facilities and small class sizes create a wonderful environment for building strong relationships and delivering targeted, meaningful learning experiences. You'll be joining a team of experienced, dedicated educators who support each other and work together to make a real difference in the lives of our students.
